

CREATION ACTIVITY

Learn this verse:

Jeremiah 32:17: “Lord God, It is you who have made the heavens and the earth by your great power and by your outstretched arm”

Who made all things?_____

Answer: God has made everything that we see.

Name some things that you see around you that God made?

How we can show that we love God and care for what He has made for us?

Answer: By obeying our parents, and being kind to animals and not leaving rubbish around God’s creation.

How can we thank God for all he has given us?

Answer: by praying to God every day

When we pray, what should we say to thank God?

Answer: Thank you God for all that you have done for us.

Poem: When God Made Me

When God made me (Day 6)
He knew I’d be
The sort of bear
Who wouldn’t care

For an empty tummy.

He knew I'd need
Sometimes to feed
And I would wish
To catch a fish
Or eat some honey.

So just before God made me
He made some fish and a bumble bee. (Day 5)

When God made me
He let me see
The sun each day (Day 4)
To show the way
To find the flowers. (Day 3)

He made them grow
So long ago
He formed each seed
And knew they'd need
The gentle showers. (Day 2)

God made us all by his great might
But first of all he made the light. (Day 1)

Let's look again at the 6 days of creation

First day: God made the light to shine so everyone could see

Second day: God made the rain clouds and God made the sea.

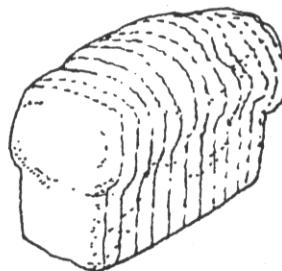

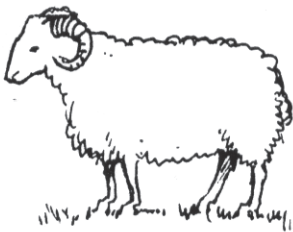

Third day: God made the flowers and God made the trees

Fourth day: God made the sun and moon and stars for us to see.

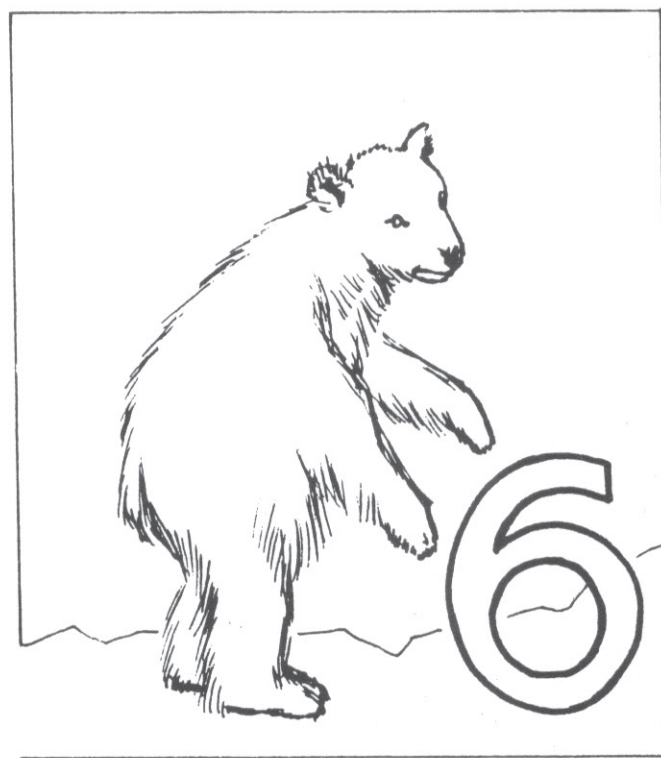

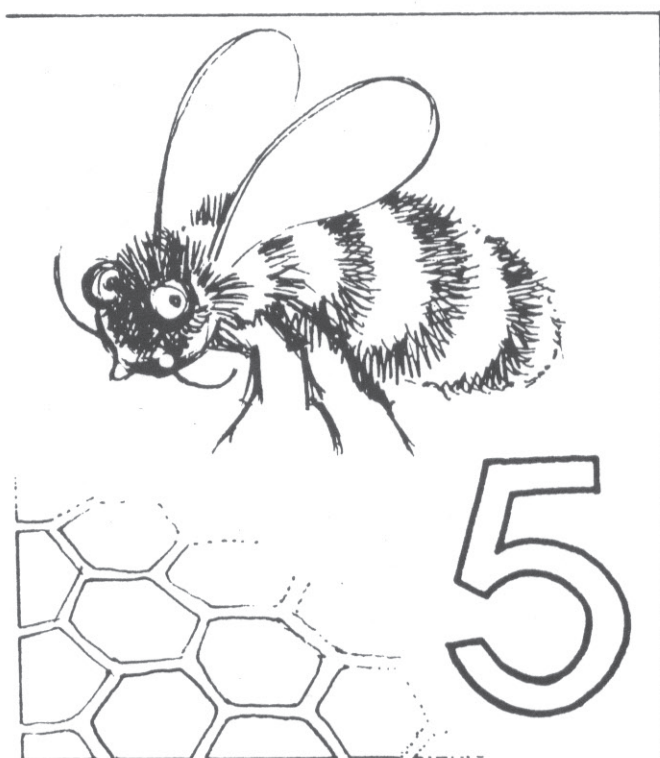

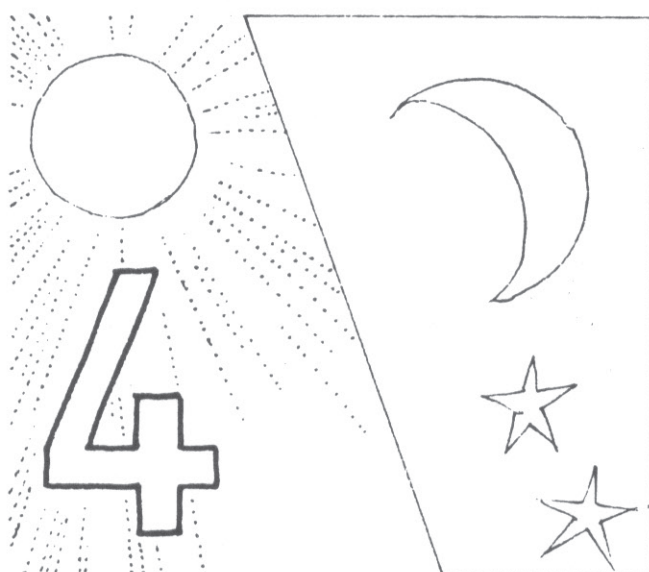

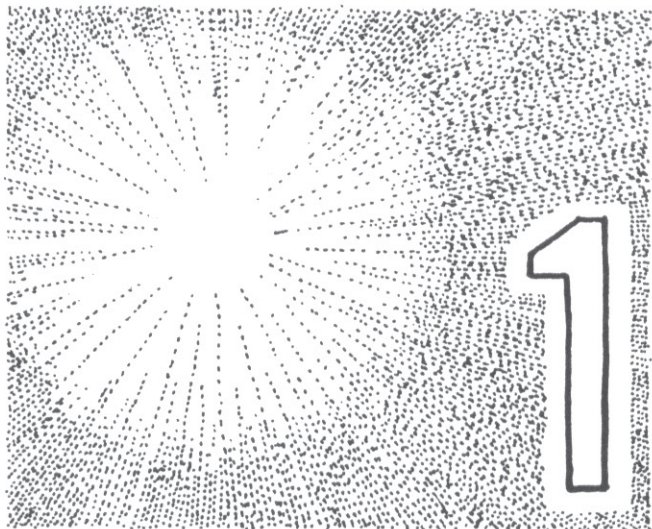

Fifth day: God made the birds of the air and fish of the sea

Sixth day: God made the animals of the earth and man to care for them

Thank you, God, for

All the things we have are made from something God has given to us. Draw lines to join the things which have been made to the things they were made from.
